MUNICH SUMMER CURRICULUM (MSC) “ELECTRONIC MEDIA” MUNICH - BERLIN

JUNE 20 – AUGUST 23, 2019

This innovative Munich Summer Curriculum (MSC) engages students in subject matters ranging from media technology, media management, informatics, media theory, and communication sciences. It finishes with a four-week internship at a German media company.

ACADEMIC HOST The Center for Internet Research and Media, Integration (CIM) at LMU cooperates with the University of Cincinnati, Ohio, USA

TARGET GROUP Sophomore and junior students in relevant majors

AIM OF THE COURSE The program is designed to explore the convergence of contemporary electronic media. It assesses change, challenges and opportunities faced by media industries, their regulatory agencies and the public. A European perspective is emphasized.
